

6130 White Sheeting

The lightweight woven material leaves behind very little lint and will surprise you with its level of absorbency. The white sheeting rags are a popular choice for window cleaning, painting and staining, and for other general low lint applications.

Because this material is light in weight, there are more rags in a box.

Box Sizes 	Pallet Size 
5 Lb Box	100 Boxes
10 Lb Box	60 Boxes

The JOSCO Difference:

Did you know JOSCO can custom cut rags to order? Our amazing cutting team cuts in house right here in Austin, TX. Need a special size or particular cut of material? Email us at csr@joscoproducts.com and let us quote a custom rag just for you!

Supply for recycled textiles is based upon primary consumer trends and usage. Given the secondary nature of recycled textiles, availability of certain materials cannot be guaranteed.
